Hi Carlos – Sorry for the late reply, but I was traveling today. The survey was completed last Monday, 1/4. Everything looks fine and we are preparing a sampling and maintenance completion report. I hope to have that to you by the end of the week. Please don't hesitate to contact me if you have any concerns.

Thank you,
David

David/Gary.
What is the latest update for the San Jacinto Site? Was the survey completed? When? Good results?
Thanks for the information. CAS
